

WELCOME TO PICKERING VILLAGE UNITED CHURCH!

We invite you to join us on Sunday morning and for many other exciting events during the year.

EVERY SUNDAY: SUNDAY SCHOOL, NURSERY AND YOUTH

Worship is at 10:30 a.m. Sunday School students usually start all together in the sanctuary upstairs. After a Conversation with the Children, Sunday School students go downstairs to begin classes. Nursery is available for pre-school children starting at 10:30 a.m., and high school youth also meet in Room 8 at this time. Sunday School students take part in services throughout the year, singing, acting and reading at regular services and special occasions.

Parents and guardians can enjoy our morning worship knowing their children are fully engaged and supervised by a dedicated team of leaders, and are always welcome to accompany their child if they wish. All our teachers and helpers work to ensure a warm and enjoyable Sunday School experience for your child. There are refreshments served in the downstairs Fellowship Hall most Sundays after church.
